14th April 2018

Dear General Secretary,

Elections for the IAU President and other IAU Executive Council (EC) vacancies – Update on Declarations of Candidature for President and other vacancies now open

I attach my letter of 19th January 2018 which gives the background for our mid-term elections and the procedure so far. The deadline for the declaration of candidates for the post of IAU President was April 8th 2018 and the following two candidate nominations have been received (in alphabetical order)

Candidate	Nominated by: -
Dr Richard Lion Caldwell (USA)	USATF
Nadeem Khan (CAN)	ACU

Both letters of nomination/support are attached.

As one candidate, Nadeem Khan, is currently IAU Vice- President, then the Vice-President post would now be declared as open for nominations. I have also received notice that another member of the Executive Council will be nominated for the Vice-President Post. So, there will be two posts open for nominations:

**IAU Vice President.
Executive Council Member.**

Candidates for these vacancies should then be nominated by their national federation with a short CV to the IAU General Secretary by **midnight (UTC) 8th July 2018**.

Article 13 (Elections) will apply to these elections and candidates can stand for more than one vacant post.

Elections will be held during Congress on 7th September 2018.

Hilary
